

## PRODUCT PROFILE

### BerryPharma AG - the Red Fruit Extract Company

**BerryPharma AG** is a specialist supplier of red fruit-nutrition to the food, beverage, nutraceutical and pharmaceutical industry. Food technology specialists driven by laboratory standards and located in Europe. All red fruits are sourced from inside Europe.

BerryPharma is reknown for its Elderberry compounds from the famous "Steirischer Edelholunder" (Sambucus nigra from the Steiermark in Austria).

BerryPharma use innovative and proprietary manufacturing procedures to produce food supplement grade concentrates and nutraceutical extracts which are uniquely rich in anthocyanins, polyphenols and other phytoprotectants. If you are developing products with the following claims, [contact us](#)

- Antioxidant Activity
- Cardiovascular Protection
- Anti Viral Action
- Anti Stress
- Improvement of Night Vision
- Anti-Mutagenic Activity
- Anti-Inflammatory Activity
- Anti-Diabetic Activity
- Bio-Availability

### We manufacture our ingredients using two different technologies

1. Mechanical food technology to compliment the food regulatory requirements for food supplements
2. Solvent extraction technology to achieve higher levels of standardised anthocyanin extracts for the OTC

Example for our ingredients, ask us for infos:

We supply standardised and customised liquid and powdered food grade concentrates and nutraceutical grade ethanol extracts from:

- 1 **Elderberry** (Sambucus nigra)
- 1 **Blackcurrant** (Ribes nigrum)
- 1 **Bilberry** (Vaccinium myrtillus)
- 1 **Chokeberry** (Aronia)
- 1 Cranberry (Vacc. Oxycoccus and/or Macrocarpon)

Today, BerryPharma is able to offer other products with the benefits of membrane filtration or ethanol extraction - always supported by documentation and analytical data including HPLC.

Our red fruit products fall under the following manufacturing categories

- 1 **Fruit Powders:**  
Spray Dried Fruit Juice
- 1 **Fruit Concentrate Liquids:**  
Membrane Filtered
- 1 **Fruit Concentrate Powders:**  
Membrane Filtered and Spray Dried
- 1 **Fruit Extract Powders:**  
Ethanol Extracted and Spray Dried
- 1 **Fruit Colour Pigments:**  
Manufactured to your request
